

SEPTEMBER 20 - 23

PLEASE PRAY FOR OUR SECOND WASHINGTON TRIP

“May the LORD answer you when you are in distress; may the name of the God of Jacob protect you. May he send you help from the sanctuary and grant you support from Zion. May he remember all your sacrifices and accept your burnt offerings.^[b] May he give you the desire of your heart and make all your plans succeed. May we shout for joy over your victory and lift up our banners in the name of our God. May the LORD grant all your requests.” (Psalms 20: 1-5)

We are officially returning to Washington DC only by God’s divine favor. My first lady, Nancy, Oscar Lopez, and I will be uniting with a multitude of other Christian ministries across America networking together. Zion in the Old Testament was the Israelites court system where the judges and priests dealt with every case among their people.

Introducing the priesthood of believers back into the **Judicial Zion court room and halls** is a massive undertaking.

To this day the church at large across America has been unaware of their role as the priesthood in their county court system.

This is again our opportunity at the **Values Voter Summit Conference** to network behind the scenes like yeast in bread to raise the **standard of righteousness back in America.**

Pray earnestly for us that our small booth display of BTGM in the exhibit hall will trigger the same vision of court hall priesthoods in

Sir John Glubb (British diplomat-1897-1987), entitled, *The Fate of Empires and Search for Survival*. “Research shows that empires go through common phases in their history. **1. Pioneers 2. Conquests 3. Commerce 4. Affluence 5. Intellect 6. Decadence 7. Decline and Collapse** Decadence is due to too long a period of wealth and power, selfishness, love of money, and the loss of a sense of duty.” **Playing another card game while the ship**

“His research documented that the average age of empires since the time of the Assyrians (859-612B.C.) is 250 years. There has been only one exception and that was the Mamluk Empire, which ruled Egypt, Palestine, Israel, & Syria and stretched its existence to 267 years. **America is now 242 years old.** America appears to have reached the age of decadence, which Glubb defines as marked by ‘Defensiveness, pessimism, materialism, frivolity, an influx of foreigners, the welfare state, and a weakening of religion.’”

The future of America is rooted in the hope that the Church will begin to cry out for God’s intervention.

We must cry out, as one does when faced with imminent danger and life-threatening circumstances.

Atlanta Prayer Partners Prayer Walk September 15, 2018

DeKalb County Superior Courthouse

On September 15th we gathered at 10 AM and enjoyed beautiful weather on the grounds of the DeKalb County Superior Court. The purpose of our gathering was to tear down demonic principalities and strongholds and to commission Tim Harris and Clay Massey. They were anointed with Holy Oil and we laid hands on them and joined together in reading a prayer of dedication for their service at the courthouses, jails and detention centers in DeKalb County.

We began by praising the Lord for His goodness and worshipped Him in song and spirit. When we began there were nine of us which is significant because just 6 days earlier the Jewish holiday of Rosh Hashana had ushered in the year 5779. **The number nine is linked with administering justice which we were claiming,** and also linked with overcoming demonic strongholds.

A high point occurred when we were praying in a circle and a gentleman who has the **skin cancer melanoma** came up and asked for prayer. He had been told by doctor's six months earlier there was nothing they could do for him but he believed God could do what the doctors couldn't.

We found out he was a man of strong faith and was from Congo. About that time Pastor Patrick Batubenge joined our group who is from Congo and joined us in praying over our new friend Roger. **They were deeply moved that they were both from Congo and had grown up in the same town but never met. Now God had connected them in Decatur, Georgia.**

Although our new friend Roger came limping on one cane he was prayed over and left carrying his cane.

This was certainly a **special day for Tim Harris and Clay Massey as God is preparing to them to minister to the multitudes in the Dekalb Co Superior Courthouse.** and for our new friend Roger.

CONTINUED PRAYERS FOR OSCAR LOPEZ

As featured in **January 2018 newsletter**, we have spent some valuable moments together sharing his calling to fulltime prison ministry. His church has sensed the same parallel perspective. The biggest hurdle he faces is the barriers of funding his calling since leaving his construction career. He has sponsored a fund raiser in his church. There is still the planning of a churchwide commissioning service for he and his family. Yet waiting on God's timing was removing those barriers with an ever growing conviction. ***"The reconstruction of people's eternal lives were by far more valuable than his job, making repairs and reconstruction of temporary homes"***
