

**JUSTIFICATION
BY FAITH
TRUTH ACCEPTED**

**JUSTIFICATION
OF FEELINGS
TRUTH SUPRESSED**

And those he predestined, he also called; those he called, he also justified; those he justified, he also glorified. (Romans 8:30) Therefore do not let sin reign in your mortal body so that you obey its evil desires. (Romans 6:13)

They exchanged the truth about God for a lie, and worshiped and served created things rather than the Creator—who is forever praised. Because of this, God gave them over to shameful lusts. (Romans 1:25-27)

This millennium generation has been born into a hurricane WAVE of porno technology – **the top 10 highest on the internet.** It has convenient accessible to the corruption of the human heart. It has been advocated, promoted, and induced this generation through movies, media, advertisements, internet, video games, etc, It has spiritually inundated the very core of the family values foundation.

David Kinnaman, the Barna president, says that he believes the decline in evangelism is due to the rise in the **“cultural expectation against judging personal choices.”** Kinnaman said, “Cultivating deep, steady, resilient Christian conviction is difficult in a world of ‘you do you’ and **‘don’t criticize anyone’s life choices’ and emotivism, the feelings-first priority that our culture makes a way of life.”**

As a chaplain, **calling out SIN as “SIN”** is in this generation is so unpopular, out dated, even to the level as being judgmental. In the court halls, the word **“SIN” has finally found its label!**

This is why I thank GOD for the thermometer monument of our court house that is trashing those who have **“sugarcoated SIN”**. No one escapes the judgment of sin. In the court halls, and the Detention Center conviction of sin has already fallen. **GOD HAS CHOSEN THE CRIMINAL COURT SYSTEM AND PRAYER TEAMS TO PUT BRAKES ON SIN !** Imagine what this world would be like without these brakes. It would be a worldwide suicide from the direct judgment of God.

“ONE NATION UNDER GOD” MARCH

The march goes on! The battle over the direction of our country will take is not yet won. Slowly the movement to put God back into our country is advancing. This was certainly the case when almost 300 people joined The Atlanta Prayer Partners and Clyde Strickland on January 27, 2019 in the “**One Nation Under God March.**”

The purpose of the march was to make a public demonstration for God on the streets causing the.

public to notice that **there is a remnant “standing up and marching for Jesus.”** Darkness can on coexist where there is **LIGHT.**

The atmosphere was filled with grateful praise and adoration as the marchers gathered first for prayer, then listened to Ricky Lee, a country artist and patriot sing the Star Spangled Banner. Then a seven member color guard performed and led the march from the Lawrenceville Lawn to the downtown Lawrenceville square and back. At the end Ricky Lee sang some more before everyone headed home.

The organizers felt the march was very successful and are now planning a march in Snellville during March and will continue them on an every other month basis in and around Atlanta. Please join Daniel Flagg and Clyde Strickland and the rest of the Atlanta Prayer Partners on Saturday, March 16 at 10 AM on the Snellville Town Green for the next one.

“FROM THE HOOD TO THE PULPIT”

My testimony is from the hood to the pulpit. I used to sell drugs and rob people. God blessed me with a church I had it for about 4 years. The land lord said he would sell the property. We had a church meeting. They said they were going to add me to their credit card. They put me as an authorized user and later decided to tell the police. I didn't pay the bill and I had no business being on the card. I showed the officer the text messages where we communicated and they agreed and I was authorized.

Two weeks later they arrested me for violating parole with this situation. When I went to jail my wife told me she didn't want to be married to me anymore. I prayed to God and he showed me my new wife and 3 1/2 years later I married her. **Robert**

We met Pastor David on 2/12/19 at Gwinnett county court house. He walked over and started speaking with us and we instantly felt the Spirit of God. We began to tell him our testimony. He spoke in my husband life and confirmed what are Heavenly Father is asking him to do in regards to winning souls to Christ. **Janae**

Please pray for Robert and Janae Whittaker in the calling God has anointed for the sake of the Gospel. The court halls are such a surprise each week meeting couples who are entering the institution of marriage. We seek to supply them with all the tools they will need and pray with them in their journey of marriage.
