

# FULTON COUNTY COURTHOUSE PRAYER WALK INTERVENTION

## GOD'S BREAKTHROUGH FOR DADS

**THE COURT RULE OF LAW** has always been "GUILTY before proven innocence" not innocence before proven guilty. PROOF *"All have sinned and come short of the glory of God"*. (Romans 3:23) These are harsh words for us all but particularly for those waiting and waiting in the Detention Center.

This has a major impact on Dads missing in action in the home. When the dad is guilty/missing, it affected all under his umbrella of responsibility. The breakdown of the family has put 82.2% of custodial parent to the Mom, but to the Dad only 17.8%. All causing serious realities:

- 4 times more likely to live in poverty
- 7 times more likely to become pregnant as a teen
- Twice as likely to drop out of high school
- More likely to abuse drugs and alcohol
- Twice as likely to suffer obesity
- More likely to commit a crime and go to prison
- At greater risk of abuse and neglect
- More likely to have behavioral problems
- At twice the risk of infant mortality

*"See, I will send the prophet Elijah to you before that great and dreadful day of the LORD comes. <sup>6</sup> He will turn the hearts of the parents to their children, and the hearts of the children to their parents; or else I will come and strike the land with total destruction."* Malachi 4:4-6

## GOD BREAKING THE CURSE

**What citizen in metro Atlanta on March 11, 2005 will not forget Brian Nichols.** A man on the run trying to cover up his tracks of drugs, womanizer with no sense of moral accountability. It all brought him to trial for rape when he escaped from custody and murdered the judge presiding over his trial, a court reporter, a sheriff's deputy and later a federal agent. Twenty-six hours after a large-scale manhunt was launched in the metropolitan Atlanta area.

It all came to a head and a halt in God's amazing intervention allowed Brian to miraculously encounter Ashley Smith when she shared the book **The Purpose Driven Life.**

This horrific background for Fulton County court house is now under the formation of **BREAKING THAT CURSE - a long awaited answer to PRAYER.** If God can use Ashley Smith (an Elijah example) to bring a transformation of hope for a cursed young man, He can use this **TEAM OF ELIJAH PRAYER WARRIORS** to bring the Gospel of hope into the **FULTON COUNTY COURT HALLS June 12<sup>th</sup>.**

**I want to personally thank these dear friends for uniting together in our 2<sup>nd</sup> prayer walk at the Fulton Courthouse**

## "GRAND REUNION"

The number one question was ask in the court halls is "What can I pray for you about?" It is the biggest attention getter with often a shock of surprise. That question I gave to Manuel Aliaga in the court halls in 2010. **We did pray together for his salvation and his case, but unseen since then.** June 7, 2019, a man literally tracked me down all the way to my car before leaving. He said, "You may not remember me, but you prayed with me 10 years ago in the courthouse that changed my life with peace and yes all the charges were dropped.

I will never forget that. Then I saw you again today and just had to catch you before you left and say how much I appreciate you for that miracle! **(Manuel wants to come to our church. Reunion reunited!)**

### HARDEE'S RESTURANT DECORATED OUR MEETINGS

God, in His divine orchestration, engineered the perfect location for a centralized court hall training sessions. Of all places – Hardee's on Hwy 78 has a full scale mural wall of the Stone mountain's "Covered Bridge" displayed for Bridge The Gap Ministries! We were all surprised at the backdrop mural setting as soon as we stepped inside.

### GOD'S DIVINE LAW'S REVEALED TO UNITE DIVINE APPOINTMENTS

When I discovered the laws in the Bible in a Strong's Concordance, it was clear to me the legal system was based on the Word of God. This made me wish I had pursed a career as a lawyer. In Proverbs 9:1, I learned that a nation is built on 7 pillars. God's revelation let me know what those pillars are. Law and Law Enforcement is one of those pillars. Isaiah 11:2 told me each pillar has a spirit over each it. The spirit over Law and Law Enforcement is the fear of the Lord.

**This information was good, but how could I use it to advance God's kingdom?** God does have divine connections! I met Daniel Flagg of the Atlanta Partners on a walk God instructed me to do over Mercedes Benz Stadium to pave the way for the glimpse of heavenly music to be held there. Next Daniel introduced me to a wonderful group of women who pray every Tuesday. Then he introduced me to Tim Harris with Bridge The Gap Ministries. I participated at their Decatur courthouse prayer group. Daniel and Tim later introduced me to David Burgher, the founder of Bridge The Gap Ministries.

**(Please pray for Pastor Henry Anderson as he takes up the mantle leadership for Fulton County Courthouse)**

### NEVER UNDERESTIMATE THE POWER OF A SIMPLE PREPAID POSTCARD. YOUR HEART OF LOVE TOUCHING TO A HURTING HEART !

Just wanted to let you know I received your letter and thank you so much for your prayers for me. A true blessing. It really brightened my day when I got your postcard. Yes, a really hard time for me being from another state not knowing a soul here in GA. Already been here 15 months and no clue how much longer. I read my Bible daily and praying a lot knowing there is hope in God, but I do want open up to anyone who will talk to me and help life my spirits to do right and live for God.

Your letter you sent to me is the works of God so I want to tell you thank you so much for taking a minute of your time to send me a postcard. Want to hear back your you.

*Chris Kirby*

Sis Janice, Thank you for the post card and your words of encouragement. You actually lifted my spirit. I don't receive mail from anyone, so yes, it made me feel good. I normally read the Bible every day. However, for about a week now I've been discouraged. Trust me, I have been through the Bible and know so much about it -my faith is normally strong. Really I have no excuse for not reading it. I know that God says, **"All things work for the good of those that love him."**

Your postcard is evidence that God is with me. I've been praying that God put positive people in my life, people that believe. Should you want to write me back love to hear from you. I'll keep you in my prayers. You are apart of the family in Jesus.
