Man's self invention for man and woman – fornication.

Flee fornication. Every sin that a man does is without the body; but he that commits fornication sins against his own body. 1 Corinthians 6:18

Severe Consequences witnessed at extended stay motels

Once virtuous and chaste begins a deceived, doubtful, and distrusting life.

Weakening one's faith.

Corrupts morality and virtues.

Uproots piety and protection in relationships.

Rendering shame as shameless - what's in it for me.

Darkening the heart making it lose its light.

Suffering from continuous spiritual poverty from a generational curse.

Lost respect and value of male and female dignity.

Seeking enjoyment but getting opposite of what he really wished for.

Severs ties of disgrace with parents and family causing other blatant sins.

Difficulty after repenting to find a willing spouse.

Cover up by justifying an abortion.

Degradation lingering in life if child lives.

Humiliation as standards plunge.

Physical ailments as AIDS, Herpes and many other sexually transmitted diseases.

The curse of fornication is a "shunned" subject nationwide even in our churches. Yet it's mandatory price tag has become an epidemic sin disease worldwide. **Marriage is the only remedy** to break this curse through repentance and forgiveness from God and to forgive one's self as a gift from God.

God's most amazing creation for man and woman - marriage.

When God made mankind male and female, he placed them in Eden, and brought them together in marriage. (Genesis 1:26–28; 2:22–24).

The most basic purpose was that marriage would produce more people who bear God's name. Then they would reflect His Love in relationship with Himself in the creation through a family united.

It is a lifetime commitment to a **selfless focus** on giving love period. It is a determination to live for the benefit of the other spouse and to stand with one another. To give and give and give, and then give some more—even life itself. Thus is the main purpose of the **umbrella of marriage**.

In an attempt to communicate God's image of marriage and the curse of fornication to hundreds units in extended stay motels, we have enclosed a letter from BTGM that will be sent to all present and future residences. To so many there nothing is permanent.

Building LONG TERM trusting relationships with the extended stay motel residents is a key component to **earning the right to be heard**. The generational curses from former blood lines or a rebellious spirit must first be exposed as a sin and detrimental to any future relationships. **PLEASE PRAYER FOR US IN THE DELICATE PROCESS OF EXPOSURE AND HEALING.**

THANK YOU !

for your prayers and financial support to BTGM that has kept us on the frontlines at the core of what is seriously infecting and corrupting our nation.
