

EARTH

GOD'S BEAUTIFUL & MASSIVE COURT HALL
PREPARING 8 BILLION PEOPLE FOR THE "GRAVE" TO MEET HIM IN HIS COURT ROOM !
(250,000 people worldwide are leaving earth today!)

GOD RULES TO PRESERVE HIS JUSTICE AND MERCY

Now in our 23rd year court hall chaplain, it has become very clear the true purpose of why 8 billion are on earth. The complexity of God's magnificent earth is beyond human capability of comprehension. Yet for a majority of people so many have "no clue" **WHY THEY ARE ON EARTH.**

Jesus, the CEO of His Universe in His amazing love, chose to create us out of two microscopic cells. He placed us on His "**court hall**" earth to prepare us to be with Him for eternity where "time" shuts down to reign in His infinite Universe. **Yes, no one is guaranteed tomorrow.** We are one day closer to facing the Judge of all judges. Thank God He gave us a roadmap, the Bible, for our preparation: **B**asic **I**nstructions **B**efore **L**eaving **E**arth.

Aside the Adam and Eve's court sentencing, the book of Exodus officially lays out the history that unveils the **beginnings of the first "courthouse"**. After around 400 years of Israel's Egyptian slavery, God called Moses to lead His 2 to 3 million people in the desert crossing the 2,600 ft. deep Red Sea, then on a 380+ mile journey to their promised land. Though God provided daily manna from the sky, 40 years in the desert traveling was pretty rough and tough with complaining and crime. God's discipline had to be instated for consequences (court). Thus He instructed Moses to build a mobile tent "Tabernacle" (shown above between 1450 and 1446 BC) with chosen judges (judgment) and priest (mercy). Their only way to pay for their sins was with animals. We can only imagine that flow of sacrifices in the desert, and the amount of drama, and disputes these judges and priest faced every day.

Sin's consequences has yet to change throughout the world in every "**city courthouse**". We still have judges, but "missing the priesthood" who represent the MERCY of God in the midst of judgment. All judgment yet no mercy (second chance) is a setup for no hope. Prayer for God's mercy in the court halls is an amazing priestly role. To introduce our Attorney, Jesus Christ, to pay for our "death penalty" is beyond comprehension. Pray that God will send chaplains or churches in all courthouses in America. It is an uncharted field of ministry in America.

"It is appointed unto man once to die, and after that the judgment." (going to court) Romans 3:23 *"The wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord".* Roman 6:23

ONE SECOND AFTER OUR LAST BREATH:

Not ready: *"Judge, I know I've messed up several times, but I truly was a nice guy on earth. I've done so many good things I lost count! Yes, I did turn you off on earth and didn't really have time for you, but can I make up for it here?"*

Jesus: *"I never knew you. Depart from me, you evildoer!"* Matthew 7:23

Ready: **Jesus, our attorney, pleads:** *Judge, I know my client is guilty on all charges, and deserve the death penalty, but since I created my client out of two cells, I know 'literally everything about my client. I have a very deep love for my client during his time on earth because he repented of his sins and humbly asked me to forgive him of his sins that I paid for him on the cross. "For everyone who calls on the name of the Lord will be saved."* Romans 10:13

God, our Heavenly Father's: *"Well done my good and faithful servant. You have been faithful servant; you have been faithful over a few things, I will make you ruler over many things. Enter into the joy of your Lord."* Matthew 25:23 **"Summary - Case closed!"**

In God's amazing mercy, He sent us His Son, Jesus, the CEO of His Universe, to be "**our Attorney**" to plead our case by taking our death penalty that we all deserve. **Proof:** He was literally resurrected conquering the grave. Accepting His forgiveness for our sins is a legal case that has been closed in heaven. Our death penalty has been paid in FULL.

ABSOLUTELY AMAZING!

What attorney do you know would ever be willing to take the death penalty of His client for their charges they are guilty?
NONE !!

Right where you are at this moment, God has plans for you on His earth to reveal to you why He created you. He has placed you here for His purpose alone to honor and glorify Him in His heaven for eternity. Are you ready?

HIS AMAZING WORLD OF LOVE, HOPE, AND PURPOSE.

ANCIENT ORIGIN OF OUR COURTHOUSE

Gwinnett County Courthouse in Lawrenceville, GA is an amazing center piece of Gwinnett County. It

includes all Clerk of Court for Superior, State, Magistrate, Juvenile Courts, Deeds, Land records, Notary Applications, marriages licenses, weddings, free family Pro Bono legal help, divorces or dissolution, probate, marriages, domestic relations, Civil Cases (nondomestic), Child support worksheet, Sex Offender Registry, Computation public records, Landlord filing dispossessory action or evictions, Human Trafficking Notice, Jail Information, and our Gwinnett District Attorney. But where did all this begin?

God began His “court hall – earth” when He “spoke it into existence out of nothing” His earth of 126 billion surface acres of land with 71% covered in water. That is 36.8 billion acres of landmass, of which half is habitable by 15.5 billion acres of desert, mountains, and ice.

Utterly amazing court hall

The “origin” of our present-day worldwide courthouses has its ancient historical beginning back to the beginning of His first two human beings on His “court hall earth”. So horrific jealousy against God that Satan, the deceiver, seduced and trap Adam and Eve into disobeying the Almighty Creator in “His own Garden”. They were immediately “**sentenced to court**” before Almighty God for eating the “one forbidden fruit tree” in the very middle of His Garden.

Serpent’s charges: sentenced to a conniving “snake level” of intentional rebellious deception.

Eve’s charges: sentenced to painful curse in child bearing birth.

Adam’s charges: sentenced to rule over Eve. Their environmental location: **cursed ground unto death and buried in the ground.** God is Holy demanding holiness. A harsh sentencing from the beginning to this very generation.

BUT GOD HAS A SOLUTION TO MAN’S CORRUPTION
