

PRAYER

has been the major focus and agenda for 15 years in our Gwinnet Judicial System court halls. Prayer has opened the doors for us to gain free access in a public building to share the Gospel to a hurting world. So many believers though feel restricted from praying thinking their location is owned and operated by the company in charge. **IT IS A LIE !**

Good News: *"The earth is the LORD's, and everything in it, the world, and all who live in it." (Psalms 24:1) "Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations." (Matthew 28:18-19)*

Taking God at His Word, He is calling His church to reclaim in the **COURT ROOM OF HEAVEN** His will on earth, as is being completed in heaven. **That is where the heart of God resides.** What verdicts have been rendered in heaven through prayer will be rendered and executed on earth in our actions.

When praying with folks in the court halls, we are **binding the legal agreements** of our Attorney Jesus Christ and loosing His will in earthly matters. (Matthew 16:19)

It is the **true heart of God** that the church take all authority of the **"CITY GATES"** of every county – **the court system**. In Daniel 7:10, the books of every human beings life in heaven must be opened and the court then comes into session.

"Thrones were set in place, and the Ancient of Days took his seat. His clothing was as white as snow; the hair of His head was white like wool. His throne was flaming with fire, and its wheels were all ablaze. A river of fire was flowing, coming out from before Him. Thousands upon thousands attended Him; ten thousand times ten thousand stood before Him. The court was seated, and the books were opened."

This is why **untold thousands of miracles** have been rendered in our court halls as we usher in the weary, worn, and wayward to the court room of heaven in prayer.

AUGUST (8) (new beginnings) **(5)** (flag poles) **2018 (18)** (prayer warriors) came together at the **base of Stone Mountain** in one mind and spirit for intercession in the court room of heaven confessing the sins of our country and bind up the strongholds that are spiritually collapsing our country.

AT THE END OF OUR PRAYERS A MASSIVE HEART SHAPED CLOUD
FORMED BEHIND US!

MARRIAGE RECESSION

Recession in marriages since the 60's till today has undergone a significant change concerning sex, cohabitation, childrearing, and marriage. The percentage of weddings that use to take place in churches have been dropping by almost half less in a decade – from 41 percent in 2009 to 22 percent in 2017. (Facts & Trends)

Weddings are now in banquet halls, hotels, country clubs, wineries, rooftops, museums, etc. That simply releases clergies with fewer weddings yielded now over to a magistrate judge, a loved one with credentials or just a friend or family members to seal their marriage. Does this even matter for such a drastic loss for the morality of the community through the church? **YES.**

Since congregational participation is on the decline, that is directly followed by children raised without the weekly influence of the church. It is affecting the very cultural lifestyle choices in this present generation.

Churches and clergy who once had the "gatekeepers" social respectability for marriage, now turn to sources apart from the church. Many reasons because of cohabitation before marriage lest the church bring this to light in counseling.

MARRIAGE MIRACLE

Friday August 17, 2018 was the day for James and I to say **"I do"** to be legally married with a license. Unfortunately, we were only able to do our license that day 8/17/18 since the calendar was booked when I started looking months prior.

While filling out the application, a kind man, by the name David, walked over to us and began to explain to us the important of marriage and God's role within our marriage. We were intrigued by what he had to say and the message behind it.

The fact there was not any more room on the calendar for us to get married that day we wanted, we asked David if there was a way for him to perform the wedding since he was indeed the Chaplain of the courthouse. What a blessing - he gladly accepted. I was excited, happy, feeling blessed, and overly grateful. This was a blessing from God for David to take the time out of his day and see to it by the grace of God that we join each other in Holy matrimony. So, for that we just wanted to say thank you very much for being there for us and doing God's work.

Blessings, Mr. and Mrs. Jones

Pray God will continue to help us to reach out to thousands of couples in the court halls. SO MANY unchurched.
