

GOD'S WORLDWIDE AGENDA TO ORCHESTRA GREAT HOMEBOUND AWAKENING

GOD'S HEARTBEAT IS OUR HOME AND HIS HEAVEN

Home is where we hang our hearts or at least it should be. It has been everywhere else but home. The fast lane will eventually run out of gas. This is so serious to God that He permitted a worldwide virus. He sent us home to focus on home and on our due date with death, either eternal home in heaven or hell.

So here we are homeward bound to appreciate **HOME SWEET HOME**. Above all to be better prepared for our home in heaven.

Our daily court system agenda is only to bring people back in alignment with home that was not in order, relationally, spiritually, financially or emotionally. If disorder erupts healthy relationships, God dispatches his peace agencies for restoration, restitution, and forgiveness.

We know revival has hit worldwide when:

Our police force switch from ticketing, and sentencing violators to jail to hosting city family events and assisting projects for the needy.

Our judges switch from their criminal scheduled hearings of criminal charges and disputes, mediations, and divorce to time for:

Expungement of criminal history charges, **Marriage** counseling and licensing ceremonies.

Caring for all death certificates and legal estate resolutions.

Celebrating the legalization of child adoptions.

Giving blessings to parents through all birth certificates and counseling.

GOD PROJECTED PLATFORM FOR REVIVAL

*"I see a plague coming on the world, and the bars, churches and government will shut down. The plague will hit New York City and shake it like it has never been shaken. **The plague is going to force prayerless believers into radical prayer and into their Bibles, and repentance will be the cry from the man of God in the pulpit.** And out of it will come a third Great Awakening that will sweep America and the world."*

David Wilkerson - 1986

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land. 2 Chronicles 7:14-15

Prove by the way you live that you have repented of your sins and turned to God. (Luke 3:8 NLT) Of course, we must acknowledge and confess our sins, but that is not all. We need to change, to repent. In my case, I need to change. My changed life proves that I have repented. The opposite is also true—if my life doesn't change then it is evidence that I have not truly repented. Those of us who have raised children are well aware of the difference between sorrow about sin and sorrow about consequences. I was, and am, sorry for my sin. Now, God requires change.

GOD'S MIGHTY HAND TO PROCLAIM THE GOSPEL OF A SECOND CHANCE

As Americans, we believe that every person has unbound potential. It is therefore important that we offer former inmates who have served their sentences and learned from their earlier mistakes the **opportunity for redemption through a second chance to become productive members of society.** During Second Chance Month, we celebrate those who have set out to create better lives following incarceration and recommit to helping former inmates contribute to the strength and prosperity of our Nation.

While we must be tough on crime, we can also be smart about reducing recidivism. One of the best ways to break the cycle of crime is to help former inmates find rewarding work.

This month, we extend our heartfelt thanks to all who **know in their hearts that redemption is possible.** Second chances are possible only through a network of people who believe in themselves and others, former inmates determined to improve their lives, judges and public servants dedicated to reducing recidivism, and families and community members willing to lend their support to people striving to triumph over their past mistakes.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, **do hereby proclaim April 2020 as Second Chance Month.** I call on all Americans to commemorate this month with events and activities that raise public awareness about preventing crime and providing those who have completed their sentences an opportunity for an honest second chance.

IN WITNESS WHEREOF, I have hereunto set my hand this thirty-first day of March, in the year of our Lord two thousand twenty, and of the Independence of the United States of America the two hundred and forty-fourth.

DONALD J. TRUMP
