

GOD'S SECRET DOMAINE FOR HIS SUPER NATURAL

"The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God..." 2 Corinthians 10:4-5

WATCHING – ALERT

WHERE GOD IS A WORK (Gethsemane) "Then he returned to his disciples and found them sleeping. "Couldn't you men keep watch with me for one hour?" he asked Peter. "Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh is weak."

Matthew 26:40

God's daily focus has always on the arena no one ever sees – your mind, thoughts, and motives. We have the power to fill our minds with the things of this world or the mind to focus on His will in His world. That decision process we face in 24/7. At the midst of the most agonizing hours of Jesus' decision at Gethsemane, Jesus disciples on the night shift were asleep clueless to what was about to happen that night of his betrayal - the agonizing cross.

But at "Pentecost" those same disciples were not sleeping, but through prayer watched the fire of God fall on the very city where they slept - Jerusalem. With our religious freedom **unknowingly** we in America have literally been put to sleep to the urgent Great Commission.

Our WATCH is before BTGM.

A launch through 388+ letters will be a countywide **call to PRAYER** among all our churches, judges, commissioners, mayors, school principals and school board members in Gwinnett County. It is a massive vision for we serve an Almighty God. Please PRAYER for us.

FASTING – URGENCY

FOR GOD TO MOVE IN OUR BEHALF "For the flesh desires what is contrary to the Spirit, and the Spirit what is contrary to the flesh. They are in conflict with each other..." Galatians 5:17

This warfare we all face is our stubborn self-will in daily opposed to God's will. Though out the Old and New Testament were countless calls to prayer and fasting. It was so common then that Jesus said, "**When you fast don't be like the hypocrites to be seen among men.**" Matthew 6:16 Fasting breaks our focus off self that barricades our body from our soul to the Holy Spirit's will. It enables us to see the visions He has plan for us. **Our physical appetites are wonderful servants, but can be a terrible masters telling you what you want not need!**

Fasting and prayer changes the course of history – "Go, gather together all the Jews who are in Susa, and fast for me. Do not eat or drink for three days, night or day. I and my attendants will fast as you do. When this is done, I will go to the king, even though it is against the law." Esther 4:16

The entire nation of Israel in Babylon exile were spared from their enemies by decree of their own King when he saw corruption in his own courts. It is a **priority** of all God's people to secretly and corporately fast and pray first for our White House representatives, local state governors, and local county leadership.

PRAYING – BONDED

TO RELEASE GOD'S POWER Suddenly an angel of the Lord appeared and a light shone in the cell. He struck Peter on the side and woke him up. "Quick, get up!" he said, and the chains fell off Peter's wrists." ... he went to the house of Mary the mother of John, also called Mark, **where many people had gathered and were praying.** Acts 12: 7, 12

The power of corporate prayer is absolutely staggering. To open doors to Fulton and Dekalb Co. must be saturated in prayer. Unfortunately governmental leadership is "clueless" to their 60% rising murder rates and homelessness. Money poured into this crisis in both counties has yet to eliminate the spiritual darkness on their streets - **1 crime every 16 minutes.**

Yes, there are churches scattered throughout Metro Atlanta, yet breaking the chains of widespread addictions, and murders comes **only in a citywide revival of prayer though all the church combined.**

Who is responsible for the darkness?

To the churches who turned off the light switch of fasting and prayer. Please pray all churches will be united in prayer and fasting with the light of the Gospel. **God will stir and dispatch His mighty hand in an affluent yet starving city.**

UNsung SECRET PRAYER HERO

DESTROYING THE WORKS OF THE ENEMY

I can never underestimate the power of one solitary prayer warrior.

Home Stay Suites, now Budgetel, has had a radical transformation through the supernatural power of prayer. Yes, God moves in response to the cries and prayers of His people. In 2019, Kim White, a single Mom and her son had no choice against her will to move into Home Stay knowing the deplorable conditions there. She questions God's direction many times. But to no avail she has stayed in her place.

But Kim is a prayer warrior without a doubt.

From God's instructions she began to prayer walk the entire perimeter in its deplorable conditions. The police were always faithful visitors to the premises almost weekly responding to a drama infested building of drugs, prostitution, with some children often at the mercy of no supervision for school attendance. But with Kim's persevering prayer God began to initiate something BIG that only He could perform.

When Covid hit our country 2020 to shut the country down, it left our the Gwinnett courthouse empty. But that was the steering wheel God used as I drove down Hwy 78. I noticed this strange Home Stay Suites whose top roof was literally level with Hwy 78 road! Unknowingly my notice of it was an answer to Kim's prayers whom I had yet not met.

That year was also a murder case, and on the run suspect on the second floor over a girlfriend. But that didn't shake up the entire residence for very long. The ownership did almost nothing in management to bring it up to county security code or legal conditions. Thus life there went back to illegal drugs of carefree living.

But Kim's unseen persistent prayer walks

unknowingly kept me there door to door sharing the Gospel, delivering boxes of food. Miraculously God sent our church and other churches in public family gatherings with music to plant seeds of the Gospel with multitude of families in tangible ways. An impact was taking shape and lives being touched in ways we couldn't count.

But I so often thought how long and how will this

deplorable extended stay be changed up to code? It was too overwhelming for me or anyone like Nehemiah felt. Everyone knew it. 120 horribly small living unit conditions, sidewalks mostly black with dirt, laundry machines half working, no reliable daily laundry, graffiti on walls, railings rusted and dirty, cluttered landscape trees, holes everywhere in the asphalt, unkept dumping facility, and trashed areas in parking lots from families. God knew my heart's desire and prayers as well as Kim faithful praying.

2022 became the year of Jubilee. God was ready to orchestrate His will to be done and supernaturally change everything beyond our comprehension. "Answers" when I had no answers! To my unexpected surprise, the owner was bought out by the Budgetel chain. Within 8+ months the **entire building has been physically renovated top to bottom under new management.** One by one they began to clean out adults and families who did not follow their new rules. Consequently only a few folks remain from the beginning including Kim! Their rules are very harsh with no mercy given. "No pay, you are out of Budgetel". **But the police now rarely visit Budgetel.**

Though Kim and I have been acquainted since 2020, it has **just now come to the surface for me** that her daily prayer walks around the building (sharing with folks she meets) has been answered in ways unimaginable for any person's ability.

That day I drove by Home Stay Suites in 2020 was not "by chance". God in His infinite wisdom and knowledge knows all secret matters of our mind. He can orchestrate our fasting and prayers to complete HIS WILL for HIS PURPOSE and HIS PLANS to reconcile all to Himself at Budgetel. Pray now we build strong relationships with the management to focus on reconciliations with their residence. ***"There is nothing concealed that will not be disclosed, or hidden that will not be made known. What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs."*** Luke 12:2-3
