

Metro Atlanta INTERCESSORS ALLIANCE

BREAKING DOWN EVERY SOPHISTICATED MIND TWISTED STRONGHOLDS

The weapons of our warfare are not the weapons of the world. Instead, they have divine power to demolish strongholds. We tear down arguments and every presumption set up against the knowledge of God; and we take captive every thought to make it obedient to Christ. 2 Corinthians 10:4-5

Virtually every spring Nancy and I love planting our tiny backyard "Garden of Eden". Having an empty nest home helped us to truly appreciate the simplicity dynamics of gardening. Prepare the soil, plant the flowers, and water the flowers. **Daily watering** began to register in my heart that I cannot make any flowers grow! But through faithful watering God patiently resurrects those flowers destined for beauty beyond description.

So neither he who plants nor but he who waters is anything, only God, who makes things grow. He who plants and he who waters are one in purpose, and each will be rewarded according to his own labor. 1 Corinthians 3:7-9

After years of seed planting in the court halls and intercession at our courthouse auditorium, it is evident only God and can bring the increase. Seeds of this potential ministry has been planted citywide, yet the vision to **KEEP WATERING** is now even great than ever. Why? There is extreme spiritual opposition at every courthouse. Not at all from the courthouse staffing, but from lack of available laborers to weekly meet these spiritual issues in the courthouse.

Each courthouse is filled with long term spiritual strongholds **(as listed to the right)** manifested in physical attacking weapons. Disarming these strongholds through prayer in the court halls takes wisdom, discernment, boldness, love, understanding, and perseverance.

Below is a descending order of spiritual attacks compounded over years of neglect struggling with a doubts of **GOD'S SPIRIT OF LOVE** and his provisions.

DOUBTING SPIRIT – Unexpected disappointing attack by the enemy through people's hypocrisy or unresolved issues. Doubts surface or just mad at God for what he allowed to happen to them or other people.

DISTRACTING SPIRIT – Hiding from and ignoring the Holy Spirit's power is an immediate shift to a manmade religion. The focus is on self-centered wants to fulfill their new lifestyle with little or no accountability.

DECEPTIVE SPIRIT – Now yields to hidden fears to plagiarism by stealing God's Sovereign credit for selfish gain to disown, ignore or even hate Christ as the only Creator of His Universe.

DISGRUNTLED SPIRIT – leads to a disconnected act or reaction to what one can see only in the natural realm. It is their justification for a disrupted/discontented world.

DOMINATING SPIRIT – surfaces to what is right in self-focused reasoning. What is wrong is justified as ethically proper. What is right is considered irrational, ignored or even censored to justify to other people.

DEMONIC SPIRIT - freedom of choice is licensed reasoning to fulfil ones depraved drive to destroy anything or anyone in their path that they cannot have.

DELIVERANCE SPIRIT - "I humbly recognize my rebellious sins and repent of them to receive His forgiveness. I surrender my life to Jesus Christ who created me as my Savior & Lord to follow him to restore and fill me with the Holy Spirit for all eternity to heaven."

Each Friday at 12 noon in the Gwinnett Co. courthouse, we pray for each criminal and civil divisions believing God will open all metro Atlanta courthouses to become a House of PRAYER.

SHOW AND TELL WHAT ONLY GOD CAN DO

God is in the transformation business! Often, through the prayers of others, His power is ignited to break strongholds to the least, last, and lost without our assistance.

His amazing Great Commission (Matthew 28:19-20) plan deliberately chooses to work through people not just by Himself. When we are involved in His transformation of strongholds, we too see the joy He experiences throughout the world one person at a time. The happiest and most excited believers I know are those who witness firsthand these transformations through Christ's power.

July 20, 2021 was one of those moments to hear testimony after testimony of how God has been transforming lives through the GGRA ministry. The highest motivation for any ministry comes through a spoken testimony. That night we only scratched the surface of stories what God has been doing these many years in the **reentry ministries**.

Mentoring ministries are "hands on" building long term relationships in love to initiate, inspire, forgive, reconcile, motivate, into accountability of trustworthiness, and faithfulness.

We need men and women who would like to invest in mentoring men or women from reentry on a short or long term basis. The starting block in mentoring begins with how much we care to make that first phone call with struggling young adults living on the edge daily. Call 770-601-0265 David Burgher.

ROCK BOTTOM TO SOLID ROCK!

I am a product of mental physical and sexual abuse. I have been involved with people in gang related activities, gun violence, domestic disputes, drugs, prostitution, and much more. I was a very bad person not by choice but by circumstances. I grew up with the only life of the fire of evil. Seven of my friends have been killed. A few that are still alive are on drugs and in prison.

I have lost more than what most people will ever know or feel. and this is the road without Christ. Multiple surgeries, mental problems, and physical problems my whole life has multiplied into nothing and that is the "Dead Joshua".

The dead Joshua is old and the new Joshua stands before the cross and none other. The new Josh is full of life because the old Josh was full of death and destruction and ignorance. The old Josh did not walk right. The new Josh loves going to school, loves the Bible, and holds the Bible over everything. The new Josh loves God, full of life, and bows down to Christ who has set him free. He reviews the foolish ways of the past persevering even with old issues.

They are being conquered one day at a time. My God moves mountains with fire in his eyes and love in his heart. The new Josh has a hunger for knowledge seeking the Lord alive because Jesus Christ has torn down the walls of destruction and broken through the chaos, careless, cruel heartless boy. To show me how to be a man, I cry because of sin. I care because I found someone that cares for me that I never thought he knew. I was alive from the darkness of our life. The whole time God was looking for me and I found him. The new Josh looks forward to tomorrow **grateful for a second chance** only to bow down to God at the cross and to the altar. The new Josh strives to be God-like walking amongst other gods to praise the true God. Stronger and tougher than I have ever had all my feet.

I cannot go into more detail or into depth anything that I have written. **I just want to publish some of my life to teach the younger generation what not to do in their life and what to do in Christ alone.** I have come a long way from what I used to be yet a long road ahead for me a work in progress.
