

THE SOVREIGNTY OF GOD

BETWEEN HIS PERFECT AND PERMISSIVE WILL

"The LORD said to Satan, "Very well, then, everything he has is in your power, but on the man himself do not lay a finger." Job 1:12

Connecting the dots of God's Sovereignty of Light in His world we live in has been an amazing journey for me. Much of it has been related to a broken society have become numb to a dark environment both domestic and foreign. As I write Russia deliberately unveils their horrendous wickedness to Ukraine.

As a young boy, I spent some time with friends investigating a Kentucky cave with flashlights. After being inside a good distance, one friend suggested we turn off our flashlights. For the very first time I witnessed the power of frighting black darkness. Total darkness struck us all immediately in fear. Turn flashlights on NOW!

Being on the front lines as a chaplain it is the norm to witness descending WICKED BLACK - **DOUBTING SPIRITS** **DISTRACTING** SPIRIT **DECEPTIVE** SPIRIT **DISGRUNTLED** SPIRIT **DOMINATING** SPIRIT **DEMONIC** SPIRIT.

Why does God permit such demonic spirits to increase in a world He created? As in the story of Job, Satan's access before God answers a multitude of questions, "Why worldwide evil spirits?". To test Job's motives for His righteous actions that no one can see. That fiery test purified Job to its **highest level of endurance** he never dreamed possible. God restores him back more than was taken.

I NOW SEE clearly how God stabilizes the presence of His Light to reveal His Sovereignty in all human affairs to prevail over WICKED DARKNESS. (See diagram below)

I NOW SEE a clear connection of Socialism being taught in our schools that prepares our children into adulthood to slowly fill up our jails. Without the Trinity of the Godhead, we all cannot truly appreciate the radiant beauty of His sunrise until we have experienced total darkness.

OUR HEAVENLY FATHER

His Laws of Holiness.
His guidance to our purpose on earth and relationships preparing us for eternity.
To reveal His Triune leadership through His church.

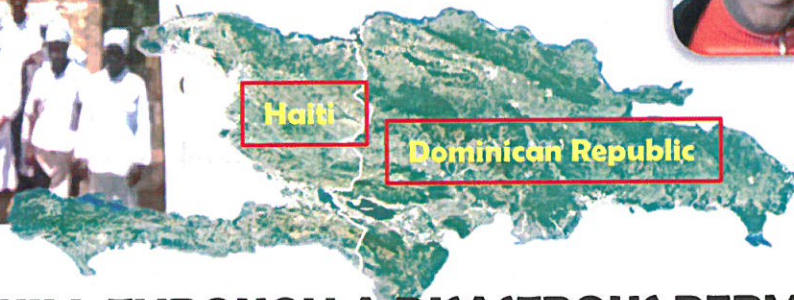

"Your will be done on earth as it is in heaven."

GOD'S SON JESUS - PERFECT WILL

Education curriculum - Unveiling
God's standards & purpose for life
Business skills and managements -
Fulfilling God's purpose on His earth

HOLY SPIRIT - PERMISSIVE WILL

Law of judgment - conviction of sin
through churches, jails, hospitals, etc.
Law of mercy - restoration of His
forgiveness to His perfect will.

GOD'S PERFECT WILL THROUGH A DISASTROUS PERMISSIVE WILL

As the founder of Haitian Community Center in 2003, I was walking in the Gwinnett County Courthouse in Lawrenceville for a meeting with Commissioner Percy Scott board member. I was stopped by a young man doing evangelism at the courthouse, Brother Burgher. Since then we became prayer partners in Bridge The Gap Ministries.

I was pastor of **Fisherman Missions Church** (Haitian) by the grace of the Lord. I met Dr. Hugh Johnson who allowed me to use his church on West Pike St. for services. Our ministry team is committed to encouraging equipping and empowering leaders within the southeastern part of Haiti to multiply disciples and rural churches there.

In 2010 after the deadly earthquake in Haiti who we lost at least 300,000 people. At my first trip to Haiti in tears I came out of the plane to discover the devastation done by the earthquake and return to the US in tears. After praying with my prayer partner through Pastor Hugh Johnson, Chaplain David Burgher, and others the Lord showed me that **I have to leave my comfort zone to focus on Haiti.**

"The year 2021 was the assassination of Haiti's president, and a 7.2 magnitude earthquake that also killed over 2000 people. Gang violence that reached international attention when a team of Americans and Canadian missionaries were kidnapped and hailed for ransom. Schools were closed and whole neighborhoods were left to gangs. Their people in prison within their own country." (Source of Light Ministries – The Reaper Spring 2022)

Fisherman Ministries was begun in the early 2000s in order to have a "Hands-On" approach to ministry in Haiti. Over the last 12 years we have established seven

churches to schools and 13 businesses to help the people of Haiti. We currently are educating almost 100 children and through evangelism are reaching scores of people each year through the churches. Every day we are responsible to feed 15 people in our orphanage and in our care. We have created full-time employment for 27 people in Haiti. From 2010 to 2022 I have been in Haiti ministering with the help of the Lord.

More than 15 churches have been a part of our ~~ministry since we started this project~~. Our focus is to plant more churches. We have no salaried staff and receive no compensation. All monies contributed go directly to help for food to pay teachers and to assist the pastors in their churches.

We have an opportunity to double this ministry in 2022 but, we need help. The ministries thus far has been funded primarily by Dr. Hugh Johnson. Any contributions would be greatly appreciated.

Church Adoption: With a commitment of 12 people at \$20 a month we can plant 12 churches a year in the rural areas where people are ready to receive God's Word to fulfill the Great Commission. We will be able to finish our church as a training Center for our organization in order to encourage and have a supportive environment.

Bridge The Gap Ministries has agreed to sponsor planting of churches in Haiti. If you wish to financially support, it can be sent to us for Bro. Jean. He sincerely covets your prayers. For more information you can call him @ **678-908-6499**.
