

## A WAKE UP CALL TO REVEAL OUR MICROSCOPIC VIEW

### NATIONAL DAY OF PRAYER UPDATE

## "SEEK ME WITH ALL YOUR HEART!"

#### MAY 7<sup>th</sup> NATIONAL DAY OF PRAYER – GWINNETT CO.

on top of Stone Mountain put us all in a microscopic perspective of size – a drop in the ocean. As far as our eyes can see all of Metro Atlanta skyscrapers appearing as toothpicks, with Kennesaw and, Appalachian Mountains as ant hills.

*"When I consider your heavens, the work of your fingers, the moon and the stars, which you have set in place, what is mankind that you are mindful of them, human beings that you care for them?"*  
Psalms 8:23-4

#### TIME ALONE WITH GOD

Before intercession over all Metro Atlanta, our hike up Stone Mountain truly set the stage to prepare us all. Who are we to come before His Throne? Solitary prayer to purify our own heart was our starting block motivation.

#### TIME OF INTERCESSION

Next our focus was to pray for our judges, school board members and mayors of all 16 districts cities. **WHY??**

Just as God oversees all he has made, He also manages and delegates particular ones to do the same over his people.

All our **elected officials** are just as attracted to temptations as we are: Stubble pride, distractions, weariness, greed, disappointments, loneliness, wrong associates and/or motives. They should realize elected leadership positions always face a higher level of accountability to God.

Our Gwinnett County leaders listed on second page for intercession.

#### May 5<sup>th</sup> NATIONAL DAY OF PRAYER - FORSYTH CO.

I felt strongly that the Lord was leading me to do the National Day of Prayer at a new location this year: the New Cumming City Center. The only problem is it was not done yet. But the Lord provided and they got the turf down at the outdoor amphitheater one week prior to our event.

12 p.m.

120 Ramey Drive, Cumming, GA 30040

The National Day of Prayer was the first ever event at the new Cumming City Center. God really met us there. It was an anointed time of passionate prayer and worship. Anyone who would like to watch the live stream or connect with this movement of prayer can do so at [facebook.com/forsythprays](https://fb.watch/d7DINxEGCp/).

The direct link to the live recording is here

# "A UPSIDE DOWN WORLD" **NEEDING HELP FOR HOPE**

**None of the families will forget the shocking murder case September 2020.**

As an outsider of ministering 2 years to the families at Home Stay Suite, many friendships have been made. But each family faces so many day to day struggles just to survive to keep off the streets. So much of it stems from no real answer why they are on earth. Almost equal to quicksand. But **"God's Word planted there will not return void"**.

When radical physical changes were very evident beyond my scope, there was only one redeem I had - **PRAYER** since 2020. Via management concerns from the county code commissioner being severely under code for years, the owner was prompted to paint the entire exterior building along with new doors and lock systems, and painted parking lot. Mission was accomplished. But an even bigger change is still needed – **changed HEARTS which only God can do!**

The number one issue families are facing is transportation preventing them from attending any church. We covet your prayers that God will open a door for transportation to our church. There are so many unchurched families needing a stable relationship to a local church. Connecting with families has to **go the second mile** to care for the wellbeing of their children to a habit of a godly environment of the church. It "bridges the gap" for a trust level when families and their children who would not attend church likewise.
