

ANOINTED AND GIFTED POWER OF WEAKNESSES

"Three times I pleaded with the Lord to take it away from me. But he said to me, 'My grace is sufficient for you, for my power is made perfect in weakness.' Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me. That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong." 2 Corinthians 12: 8-10

Lucifer's (created being) **IN PRIDE** sought to take God's Throne. Thus he was cast out of heaven. Jesus replied, *"I saw Satan fall like lightning from heaven."* Luke 10:18 This root of all sins of **PRIDE** we inherited since the beginning to time on earth.

Yet God intervened with His human race to install the most difficult yet most anointed gift through the power of our weakness that can shield us or remove us from the sin of **PRIDE**.

Even Apostle Paul after witnessing a glimpse of paradise, received a thorn in the flesh from Satan to prevent a spirit of **PRIDE**. Thus our strength is administered through our weaknesses.

Our court systems of consequences is God's instrument to remove our pride and arrogance. It's intended purpose to replace it with increased spiritual strength, character building, greater dependency on his control, identify with the suffering of Christ to purifies us suffering for what is right. This is where the churches connects with courts!

NEWTON COUNTY COURT HOUSE

After months of intercession for all the surrounding county courthouses in metro Atlanta, October 14 God has set apart three men to begin a weekly prayer time and counseling in the Newton Judicial Center. **Oscar Lopez, Estrado Donis, Russell Graves** (pastor – Covington First Baptist Church Annex), and **Josh Mossman** (potential student of law school), and **Michael Hale** (testimony on the back).

Before our prayer walk around the Judicial Center, Russell Graves had pre-arranged a meeting with **Judge Ken Wynne (white shirt)** in the center. His warm reception to ministering to families at their weakest moments in the court halls

was welcomed and unprecedented. **We covet your prayers that God's extended favor in Newton Co. will be a launching pad for all Atlanta.**

Josh Mossman (blue shirt) from Covington in Newton Co. housing projects has had an extreme difficult family upbringing. Through our connections at the Gwinnett court halls, we connected! His vision now. *"I have been praying earnestly for wisdom and understanding. I was answered in a dream."*

In this dream God told me to gather my people. Now I have understanding and purpose: We must move with purpose. We must unite judges police officers in communities. We must bring together our communities and all Representatives of the State. Our country was founded under God and under God it will stand. I would like to have a very special event for judges of the Gwinnett and Newton County to come together including police departments to meet each other and to pray as one. we all need to be a part of a community. Prayer at the same time throughout the whole state that is the goal. This is the first half of a long process to unite the whole state under God for the greater good and Commonwealth of our state."

BRIDGING A GENERATIONAL GOSPEL BLANKET LEGACY – TO BE CONTINUED...!

The **Bud and Miron McGraw** family have been a blessing to FBC Lilburn since the 60's. But even more so under the leadership of Miron McGraw quilting together blankets through donated fabricates.

It's beginnings was in the heart of women through Women On Mission. It was born in their hearts to do something tangible with the Gospel for the homeless, and struggling families. Historical records are unclear, but their heritage of sewing **250 blankets each year** is an amazing accomplishment. They have been delivered to many poor homeless in metro Atlanta, other countries, and to the elderly in the nation of Israel.

But Miron's many years of investment into untold thousands of blankets has significantly declined with her own age and health issues. That brings them to a reality of a fading blanket ministry after all these decades.

In absence of Miron's health, **Kate Fredrick** (pictured above in the center) has taken the lead. But likewise several of the sewers have passed on or dropping out with various health issues.

Except the younger generation of sewers chime in to carry on this beautiful homemade Gospel quilt, it will cease to exist. That was not Miron's intention at all in some of her last remembered words she could speak.

"HERE, HERE, HERE!"

Miraculously a vision for a generational bridge is piecing together for the younger generation through our Chaplain Oscar Lopez (above red shirt). Oscar and I have networked together for years. The church he attends has young women sewers with the potential of carrying on sewing the Gospel blankets at their home.

Birthing a new generation of sewers is a major step for Kate Fredrick and Oscar's potential sewers. Please pray for a successful transition of mobilizing, learning and organizing the step by step process to completion for deliveries.

NEWTON COUNTY COURTHOUSE

Greetings everyone! This is **Michael Hale**. God has amazingly delivered me and molded me into a mighty man of valor. It is a pleasure to share this testimony with you God has bridged the gap between Gwinnett and Covington Courthouse ministries. I remember all too much in the past being defended in the court of law. God has delivered me to use my story for His Glory. I now have the honor of ministering to those that are going through similar situations. Bridge The Gap Ministries is a beacon of light in the community sharing the love of Jesus Christ to a lost, homeless, and hurting world.

Clearview Ministries is also spreading the Gospel and hosting outreach events throughout the year. Hebrews 6-7 tells us to serve wholeheartedly as if you were serving the Lord not people. This is my mission and goal in life as God allows us to be his hands and feet.

NOTE WORTHY: Bringing the message of the Gospel to each metro Atlanta courthouse is a massive undertaking. **"Who will go for us?"** Ironically it surfaces from people who are very familiar with the court system through their own personal case with attorneys and judges. Only God knows who that individual will be for each metro Atlanta courthouse.

PRAY WITH US FOR THIS MASSIVE MIRACLE !
