

GRASS GROWS

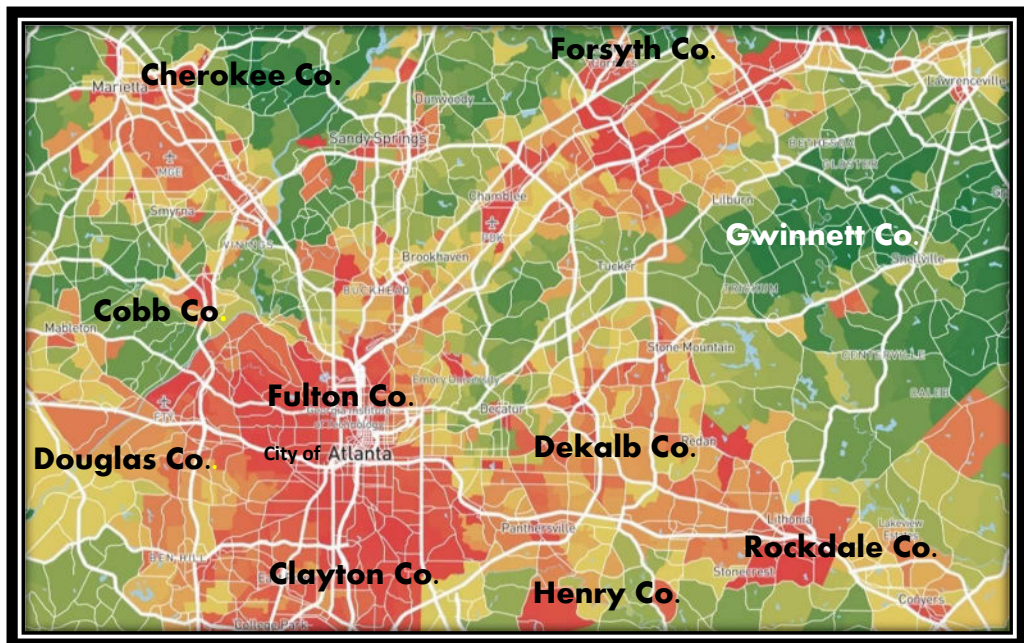

WHERE THE WATER FLOWS

“Call unto me and I will answer and show you great and mighty things you know nothing about.” Jeremiah 33:3

Our 3 children and 2 of our grandchildren family retreat was priceless especially in the mountains! Upon our return, we stopped at the top “New Found Gap” overlooking a very small portion the most beautiful 6,684 ft. Blue Ridge Mountains east of the Mississippi River. Then miraculously I captured a picture of a **tiny solitary cloud** hovering at the top of the front ridge overlooking the massive mountain range. This picture displayed our many of prayers for Metro Atlanta.

GREATER ATLANTA CRIME DENSITY

After 20 years of weekly prayer at our Gwinnett County courthouse, lest I forget **God reminded me** this majestic view was to downsize me to a “speck of dust”. At the same time He revealed to me His “majestic grandeur” of the big picture of our Gwinnett County impact **through prayer**.

As Moses commanded Joshua, “Choose some men to go out and fight the army of Amalek for us. Tomorrow, I will stand at the top of the hill, holding the staff of God in my hand.” As long as Moses held up the staff in his hand, the Israelites had the advantage. But whenever he dropped his hand, the Amalekites gained the advantage. Moses’ arms soon became so tired he could no longer hold them up. So Aaron and Hur found a stone for him to sit on. Then they stood on each side of Moses, holding up his hands. So his hands held steady until sunset. As a result, Joshua overwhelmed the army of Amalek in battle.” Ex.17:11-13

The “top of the hill” is the **County Courthouse** - the center of any county worldwide. God later instituted the

courthouse system through the “mobile tent Tabernacle” in the desert before they entered the promised land. It’s symbolized the judgment (judges) and mercy (priest) of God. To this very day there is a court system in every nation and county worldwide **minus one thing; the praying priest - the CHURCH.**

The water of prayer of the priestly jurisdiction sprouts up righteousness, and truth for all judges, commissioners, district representatives/mayors, school board members, schools, businesses, and families.

The **RED demographics above reveal** the true results of criminal activity in metro Atlanta by county and where the **battles over crimes are being lost!** We desperately need men and women of valor like Moses to keep prayer a high priority alert in every county. **Where there is no water of prayer, the grass land of righteousness fades away to immorality, robbery, insanity, and mediocrity.**

Then God said, "Let us make mankind in our image, in our likeness, so that **they may rule** over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground." Genesis.1:26
"Dominion belongs to the Lord and he rules over the nations." Psalm 22:28 "Praise the Lord, all his works everywhere in His **dominion**. Praise the Lord, my soul." Psalm 103:22

COUNTIES CARING FOR COUNTIES THROUGH PRAYER

Dear (County Gwinnett Leadership),

I want to express to you my sincere thanks for your stability, integrity, and godliness as our Gwinnett leader. The Lord has truly blessed each district in Gwinnett County in immeasurable ways.

As a court hall chaplain, our team prays for you weekly in your management decisions in our Justice and Administration Building. It is no secret that prayer welcomes God's Spirit of peace, respect, and love throughout the entire building these past 20 years. The crime chart below and a "heat map of crime density" of all Metro Atlanta (enclosed October newsletter) registers the top 8 counties in crime destiny in Georgia. Gwinnett County has held a 8.2 % per population recidivism rate, yet Fulton County recidivism rated at 47%. For this reason I am writing you today. Fulton County mayors, judges, commissioners, school board members, and teachers feel the daily pressures on their shoulders of the distracted, disgruntled and dominating spirits throughout their county.

But there is help and hope from all the Gwinnett Co. leadership. Enclosed is a list of all the leadership in Gwinnett and Fulton County to daily pray for each other and our sister county. In your prayers, nothing could be more prompting and touching than to write the Fulton County leaders a word of encouragement. It would be a "hand out to a lift up vision" in their hearts. It would be a long lasting encouraging motivation in their daily management of hardships and struggles beyond their grasp.

If you so desire, please share this list with our Gwinnett leadership in your council meetings. A flood of letters and/or calls from the Gwinnett leadership could rally a unified revival of prayer and repentance of sin to a changed heart among their leadership. Yes, the latest Fulton County reports are showing a 9% decrease in crime from 2021 to 2022, but a long road ahead for recovery.

We also covet your prayers for all county school board members, principals, and teachers in your district. They too face spiritual roadblocks through disrespect, disgruntled behaviors, CRT, LGBTQ literature or any undercurrent of deception, distraction, and domination of humanistic /atheistic ideologies. Regular cooperate and individual prayers among students, teachers, and principals release God's abundant blessings to show His purpose of existence and plans to fulfil in each student in His world.

I am so grateful how "God orchestrates your dominion in leadership" on His earth. Indeed, you are displaying it in your everyday decisions of righteousness, integrity, accountability, and love in Gwinnett County. Through earnest prayer together, we all are deliberately acknowledging and honoring Almighty God in His rightful authoritative position as Creator and CEO of His Universe. In turn He secures and protects us under the umbrella purpose of our U.S. Constitution. So grateful God and His Son Jesus Christ gave us all an authoritative role in capitalism, religious freedoms, and our educational system instituted directly from the Bible since the 1700's.

May our Lord truly bless you abundantly in His loving arms with your God given discernment and management skills "for such a time as this" in our growth in Gwinnett County.
