### NATIONAL DAY OF PRAYER

### LAWRENCEVILLE LAWN – 6 PM

#### WHAT IF...

**MOSES** did not turn aside from busy schedule of herding sheep to check out why that bush would not burn out. **NO 10 COMMANDMENTS, NO DELIVERANCE FROM 430 YEARS OF ISRAEL'S BONDAGE.**

**JOSEPH** did not stay faithful in prayer even after his families rejection to a foreign country and later in total seclusion prison 3 or many more years to interpret dreams for the king. **FAMILY WOULD HAVE STARVED TO DEATH.**

**DANIEL** never made the time daily to pray interceding for his peoples in bondage. **THERE WOULD HAVE BEEN NO SPIRITUAL COUNSEL AS A PRISONER TO HIS PAGAN KING WHO NEEDED TO REPENT OF HIS SINS..**

#### WHAT IF...

**JOHN** chose to radically fight against being taken to exile on the Patmos Island for prayer alone. **NO WRITTEN DOCUMENTS OF JOHN'S PERSPECTIVE OF JESUS' DEITY OR REVELATION OF THE END TIMES WOULD NOT BE WRITTEN.**

**PETER** refused to get out of the boat in a storm to walk on water trusting the master of the storm. **MISS HIS CALLING AS THE LEAD DISCIPLE OF CHRIST AS THE LEADER OF THE EARLY CHURCH.**

**PAUL** in his rage against Christians refused to isolate himself in prayer after being struck by a blinding light brighter than the sun. **GOSPEL WOULD NOT HAVE REACHED EUROPE THEN TO THE WHOLE WORLD.**

## UNPRECEDENTED POWER OF PRAYER BEYOND HUMAN UNDERSTANDING

Dear David Burgher,

In some points we have prayed together and you have earnestly poured your heart in praying for us as a Church of Jesus's to grow and get God's providence as requested here.

1. August 2023 we needed a generator to help run the indoor speakers and the piano. Someone poured salt mixed with paraffin into the generator engine and failed to work. A stranger heard of this and rescued us by providing a generator to us for two year term for free and ending July 31, 2025. This incredibly assisted the church to have music since our church most members are youths and children who love music.

2. We had a church plot debt balance to clear a \$975.00 payment. Two church members sold their milk cows to clear the balance settlement. Prayer answered!

3. You sent me some teaching materials on disciple making and other materials for church growth.

I am so excited to report that you sent at the right time when God had seen the need of His Church.

Many are now mature to intercede for the church, and do evangelism one on one, door to door, etc. This has caused a great harvest In 2024. Many have accepted Jesus Christ as their Lord and Savior. Among them 53 are baptized and very committed in the Church to serve the King of Kings Jesus Christ.

4. Pray for our team community that practices Female Genital Mutilation, FGM. It is a traditional ritual circumcision of boys using blunt knives by the traditional old men who sacrificed a goat and claim the knife was confirmed clean to do the procedure of cutting boys the same to girls. Last year 2024 November. The government recognized my efforts to champion this fight FGM and boys traditional way. I was appointed their Ambassador to rescue the girls and boys who have defended their faith and defied the evil activity done every year December when schools close. This attracted politicians for vote interest. I have 2 volunteer born again Christian lawyers, who defends these young girls and boys. Their parents trap them with only one condition. No school fees and basic needs to be provided. As the Ambassador with the 2 Lawyers we have defended 38 girls 30 boys. We have started a long term solution to help fight for many boys and girls mostly defending their faith in Christ Jesus.

5. We have begun Bee keeping for honey produce to convert honey harvest into money to help pay the school fees and other basics. Our community has natural trees and lot of flowers to attack bee keeping project. We already have 6 bee hives that can give a harvest of 40 Liters of pure and natural honey. My vision is to have 500-800 bee hives before 2027, which can produce 3700 Liters of honey per year. Local price of honey per liter is \$8.00 and they sell like hot cake! This can translate into support for more than 200 - 600 boys and girls in the next 3 years. If God helps us for His glory, I have already registered the project with the Government of Kenya as Community Based Organization- CBO.AVI-GHAYIL BEE PROJECT. It's co-mandate and vision to transform and empower these vulnerable children to be Champions and Ambassadors of the next generation. Keep your prayers coming to Kenya. This is a huge vision and project. Our slogan: One bee hive one vulnerable child !

6. You've encouraged the elders, deacons, and entire leadership to pray for the Judges and the County at large. We are soon starting coordinating the pastors, elders and entire leadership of other 310 churches in the county to come together in unity to pray souls to come to knowledge of the saving grace and the coming of our Lord Jesus. They have grasped the vision that the only way to experience the power and move of God is through prayers as leaders. I am planning even to see the inception of National Prayer Day where the leaders including the President can attend for the sake of the country. Thank dear David and your team for been there from a distance praying for us in Kenya. I am incredibly grateful for being with Bridge The Gap. .God bless you indeed in His vineyard.

7. Motorcycle - \$1,200 to help me get to church early and church members visit during weekdays. I walk over 9 miles to church with my wife. After she got a major surgery 6 years ago, walking a distance makes her very uncomfortable. Sometimes skips Sunday services. This bothers her so much.

God bless you sir. So excited to have you as my prayer partner and inspire me with the Word of God, word of wisdom. Always appreciated sir. The prime purpose of Jesus in His earthly ministry was to overcome the power of Satan and demonic realm to free us from captivity and set us free through the saving grace.
