## FRUIT OF DECEPTION

**VS**

## FRUIT OF THE SPIRIT

**Children** entering God's world have a zero knowledge of anything on earth or in life. They are at the mercy of their parents or guardians to know their very physical existence or their purpose on earth. But there are so many **roadblocks** parents face in the midst of their excitements, challenges, setbacks, free time, studies, vacations, "fast lane" routine schedule, tragedies, and funerals to address their child **why** they are on earth, **who** made me and this world, **what** is my purpose for being on earth? Yes **8 billion people God divinely placed on earth with a free will to seek a close relationship with Him for eternity. But its price tag is to give an account how we used our free will from our Creator Jesus Christ. "It is appointed unto man once to die, and after that judgment (go to court)."** Romans 3:23

No one said parenting was easy! But **"OMISSION"** is a **DECEPTION** to neglect the most elementary questions in REAL LIFE: Our children are "eternal human beings" eager to know their purpose on earth for eternal reign.

**Children** entering God's world are born with a sin nature to rebel, yet so earnestly longing to be corrected, and treated properly with the gift of love, joy, peace, patience, kindness, faithfulness, goodness gentleness, and self-control. It all comes through earnest daily prayer, and Bible study in every public and private school.

The older I get my appreciation for my parents earlier training years. Of all the billions of families worldwide, why God placed me with 3 brothers, 1 sister in a Christian home is a mystery beyond our comprehension. My parents, with NAMB, were called to **"love our enemies"**. That carried us from KY to WA to KY to CA to Russia (iron curtain) to FI to fulfill what God had called my parents to go.

Our daily examples and daily prayer for our children no matter their age, releases God's protective favor in each step conforming us into His image. When **prayer, and Bible reading voluntary sweeps in our public schools**, it ignites God's favor with high SAT scores, orderly conduct, to seek out the reason **why** they are on earth.

They will know that I am the Lord their God who brought them out of Egypt, so that I may dwell among them. I am the Lord their God."** Exodus 29:30

## FRUIT OF DECEPTION CONQUERED

My name is Rubel Akhand. I was born in Bangladesh, which is a Muslim country. I grew up in a devout Muslim family praying 5 times a day and attending mosque. I came to the U.S. when I was a teenager. I never knew anything about Christianity until many years after I married my wife.

As a Muslim I wasn't supposed to marry a Christian without converting her to Islam. However she and I had mutual respect for each other and our religions so we decided it was best not to discuss them. Over the years I saw my wife studying and teaching our son about Jesus and the Bible. The things I heard her saying I had never heard about before.

Growing up we are taught the Bible is corrupted and Jesus was only a prophet. It got me thinking about my life and searching for the truth. So I started praying to God, not really knowing who I was even praying to but asking him to show me the truth. As I continued searching something started changing inside of me. For the first time in my life I could feel God's presence.

In 2023 I started attending church with my wife and son. The more I learned about Jesus the more I felt drawn to him. The things Jesus taught were unlike anything I was ever taught in Islam.

In 2024 I watched my son get baptized. So now both my wife and son were Christ followers and I was still a Muslim. So I continued praying that God would lead me in the right direction and Jesus answered and said Follow Me. A few months later on June 16, 2024 I was baptized. It was the best decision I have ever made.
