

IN MEMORY of total sacrifice

Charlie Kirk - All American who gave the highest sacrificial price for his generation. Our nation mourns with and for his family. Before Kirk's death, when his hand pointed up, not only showed his destiny, but prophesied his completed assignment that took his **TURNING POINT** vision worldwide. His message, "America, it is time to make a U TURN no matter where you may be." Life is too short!"

President Trump - All American whom God sealed His divine purpose and position with mighty angels of protection from a demonic spirit against Trump. It only escalated his purpose to awakened Americans the wickedness of human nature and how real demonic spirits are in our wealth-centered nation. *"All have sinned and fallen short of the glory of God."* Romans 3:23

Gwinnett court halls ministry - amongst untold thousands of people in drama, weddings or anywhere I go, I often use the most obsolete phrase, "No one is guaranteed tomorrow." The immediate response I get, "You got that right." It is the extreme verbal reality check anywhere to hear over and over the brevity and the frailty of life.

That very statement "No one is guaranteed tomorrow." no doubt was privately rehearsed in the hearts of all American Civil War soldiers-1861-1865-750,000 dead, World War I soldiers-1917-1918 - 116,516 dead, World War II soldiers - 1939-1945-405,399 dead, not counting the Korean War, Vietnam War, Gulf War, Afghanistan War, Iraq War I & II, Somalia Syria Yemen War, Russia, Ukrainian, Gaza War, and Israel-Hezbollah.

Lord, thank you for the untold millions who have given beyond their calling to sacrifice themselves for the cause of TRUTH and freedom.

**SHARPEST TOOL OF
SACRIFICIAL LOVE**

MOTIVATION for a living sacrifice

Murders are the highest red flag God allows whether it be verbally or physically, whether it be one time or thousands to cast a simple message: *"The heart is desperately wicked, who can know it."* Jeremiah 17:9 It parallels to what Apostle Paul wrote: *"It is appointed unto man once to die, and after that the judgment."* Hebrews 9:27

But God's also uses murders or attempted murders to escalate the awareness of our direction through your opponents. Football games face opponents in every play proving they are headed in the **"right direction"**. The same with soldiers on the frontline battles of war for securing our freedom for righteousness.

"If any man comes after me, let him deny himself, take up his cross daily and follow me". Matt. 16:24 *If God is for us, who can be against us? He who did not spare his own Son, but gave him up for us all—how will he not also, along with him, graciously give us all things? Who will bring any charge against those whom God has chosen? It is God who justifies. Who then is the one who condemns? No one. Christ Jesus who died—more than that, who was raised to life—is at the right hand of God and is also interceding for us. Who shall separate us from the love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword? As it is written: "For your sake we face death all day long; we are considered as sheep to be slaughtered." No, in all these things we are more than conquerors through him who loved us.*

Romans 8:31-39

"In darkness God's truth shines most clear. God will restore everything the enemy has stolen from you. What wings are to a bird and sails to a ship, so is prayer to our soul." - Corrie Ten Boom

Dear Honorable President Donald J. Trump,

With all sincerity at 74 years old, I have never had a president to seek out my opinion so much as you have. You are representing the people far beyond the other presidents we have been under. As you read the Old Testament there were Prophets (Priest) who personally encouraged godly kings, yet corrected kings that were corrupt.

Through God's divine plans, He has set you in place "for such a time as this" in our nation. Thank God He is at the steering wheel of your life as the CEO in all your committee meetings or speeches. Bonding states or nations together in humility, unity, and wisdom in prayer has always been God's agenda the top priority.

For those nations who never acknowledge God, the CEO of the Universe, in their decisions are in a preplanned trap of deception, corruption, pure evil, and slow suicide. Your leadership in dealing with such nations is not an easy road, but they cannot deny America's moral and financial leadership success records with Almighty God at the steering wheel of His Throne for His 195 worldwide nations. No nation will escape His judgment.

The more consistent prayer becomes the routine agenda in humility in the White House consulting God's wisdom and direction, the greater your victories nationwide and worldwide. We are all amazed at the historical personal stories in the Bible since the beginning of Creation where kings rose to power or fell on their face in disgrace. God could not have said it better: "Let us (Trinity) make man in our image." B - Basic I - Instructions B - Before L - Leaving E - Earth.

As court hall Chaplain for 22 years in our Gwinnett County Courthouse, Georgia we have been interceding with families waiting their court date, couples getting married, and weekly prayer for all our 44 judges, 5 school board members, 5 county commissioners, and 17 mayors "by name".

Result: With now 1,003,869 population in Gwinnett County, our low crime ratings have been a beacon of light to Atlanta Fulton and surrounding counties as incompatible in the lead. Leadership always takes full responsibility the statistics for their crime ratings. Please pray that all the churches in Fulton County will unite with all elected leadership weekly in prayer vigils. Churches in Atlanta are the ones responsible for not blanketing the Light of the Gospel with elected leadership in the darkest corners of crime, and homelessness. There are many lamps of Light on the frontlines, yet not enough to impact their elected leadership. A latest report, there is a slight decline in criminal statistics, yet a long journey ahead. You know "first hand" all too well in August 2023 in Fulton Co. Courthouse. God exposed lies against you, and prevailed for you!

The court halls are symbolic of "earth", and the courtroom is "after the grave" to prove we all are guilty on all counts. Therefore preparation for that day is extremely urgent. In his amazing love through grace God provided an amazing escape. Whoever accepts Jesus His only Son as their Savior and Lord receives a clean slate and a spiritual heart transplant. He then becomes "our Attorney" to plead our case before God by choosing to take our "death penalty on the cross" to cancel our debt and erase name off hell's list. 8 billion people need to hear this!

Perhaps you are aware of the first courthouse in the world. Approx. 1446 BC. in Exodus Book God's instructed to Moses to build a mobile "Tent of Meetings" (courthouse) to execute judgment and mercy to 2 million Israelites for 40 years in the desert to the promised land. The appointed Judges represented the judgment of God, while the Priests represented the mercy of God. Unfortunately (not knowing when) the priest in their prayers for mercy, have been cut off from all the court systems worldwide leaving only "judgment" written in stone with no hope for a second chance.

As President of our nation, if God impresses on your heart, I humbly request if you could encourage all the churches in Washington, DC, and all 50 states to come together for intercessory prayer weekly at their respective courthouse for their elected leadership "by name". Ordained ministers or chaplains or volunteers at any time can be there to encourage, and pray with families struggling in the court halls over their sins, disputes, or consequences. Self inflicted drama has always been God's way to setup a miracle of a change in their hearts. Reinstating God's mercy in repentance and forgiveness with the judgment in consequences in all America's courthouses can generate a title wave righteousness throughout very county in America.

Thank you again for God's calling you answered years ago.

God Bless you sincerely,

Chaplain David Burgher
