

LEGALITIES OF OUR SALVATION

God's extremely small "court hall of earth" for 8 billion people preparing for their court date after the grave.

AMAZING EARTH

Formed for God's court hall MANDATORY DEATH

sentencing us to God's court room

Over these 23 years at the Gwinnett Co. courthouse, this has been an **amazing coloration** I have noticed in the all courthouses on earth. The traditional courthouse symbolizes earth in two divisions. The court hall – earth, the courtroom – death. This may sound an extremely strange analogy, but it answers a very logical unasked question to 8 billion people. ***"Why are you on earth?"*** It's a very shocking question. **Earth is our daily preparation to see and be with the CEO of the Universe, Jesus, for eternity.** God is our Author of justice, and mercy in all our circumstances. He is the Judge of all judges for every human being. Adam and Eve's sin of disobedience unfortunately started the death penalty for God's courtroom. As our Creator He has every right to judge fairly all mankind. Verdict: ***"We all have sinned and fallen short of His righteous standards rendering us all the death."*** (Romans 3:23)

Yet God, in His divine love, provided us with an attorney, His only Son Jesus, to plead our case. God sent His only Son in person to our world to take their death penalty. Thus our case is legally closed paid in FULL. **ABSOLUTELY AMAZING! What attorney on earth do you know would ever be willing to take the death penalty of His client for their charges they are guilty? NONE !!**

UNEXPECTED REJECTION BUT AMAZING DIRECTION

God has been working behind the scenes in our courthouse throughout the court halls all these 23 years with multitude of miracles only He can measure. The peace of the Holy Spirit resonates there.

This freedom to carry the Gospel there the enemy is not happy at all. Volunteers here have experienced his attacks. The other week, not knowing the origin, a police officer without questioning me escorted me out of the building saying, "You're not allowed to talk with folks here." In 3 seconds I was escorted out the front door with no reasons. Yes, puzzling and mentally shocking at first. Yet over these days things are surfacing the origin of the personal dismissal.

Through the election process, our new elected Gwinnett Sheriff has chosen to close down the multiple of volunteers in the Detention and Diversion Centers though there since 2003. **Yet God is on His throne** as always and knows the hearts of so many volunteers willing to enter these doors. **PLEASE PRAY FOR US.**

OPEN DOORS

Yes, there are open doors we have yet to share the good news of the Gospel. There are Mosques, Buddhist and Hindu Temples, night clubs, and liquor stores open to the public. With the flashlight of the Gospel there is power to penetrate any spiritual darkness across Gwinnett County.

GOSPEL GOOD NEWS TRACK

There is a **universal word** that attracts every human being – **LOVE**. As universal as it may be, it is the most difficult word in the dictionary as spelled out on the front cover below. How can the most be so attractive word in the dictionary be the most difficult word? Simple: **The price tag is too high to pay, and it exist only in the “present tense” that impacts the past or future tense.** There is a constant battle against our ever present tense human nature spirit against God’s Holy Spirit.

LOVE is simply dying to “self”. So often we focus on self is our “best friend”. Sounds good, but in reality it is our most difficult me, myself, and I we fight against. The “cross crucifixion” of Christ is the most radical symbol ever. **It’s a symbol worldwide either dearly hated or dearly loved.** Each time I distribute this track anywhere, I am speaking directly to myself, “Am I a living standard of **Listen, Obey, Victory, Encourage?** **This enclosed copy is available to you to copy as often as you need to share where ever you go.**

Point to the top words in **yellow** to anyone God leads you to. **Ask them to read it “out loud” to you!** Even without introducing yourself, **they will be amazed and shocked by those words.** You are only the “Messenger” of the most sought after word in the whole world.

Ask did you know this? Shocking, most people say NO!!!!

Most extreme unpopular words (grace, mercy) in the secular world that is focused totally on earning rewards by works.

If time permitted, ask how well they would grade themselves with the asterisk meaning of the word **L-O-V-E**. Without God’s love the heart literally will shut down sooner than they ever anticipated.

If asked most folks have no clue why they are on earth! Preparing for eternity to face Jesus the CEO of the Universe.

Most people have never envisioned **LOVE** as a “weapon”. The command from Jesus said, “Love your enemies as you love yourself.” Love dismantles your enemies weapons with nothing for a counterattack. Jesus chose to erased our sins clear when He chose to take our sin penalty on a cross. **“Father forgiven them for they know not what they do.”**

Love That Never Ends

God’s love created your two cylinder engine: your heartbeat and breath. With 100,000 hearts God gives you daily, why are you on earth? 250,000 worldwide will take their last breath today.

YOUR PURPOSE FOR EVERY BREATH:
TO COMPLETE GOD’S WILL FOR YOUR REASON ON HIS EARTH.
YOUR HEARTBEAT IS ON LOAN TO HOUSES YOUR ETERNAL SOUL FOR A
